

Fast and accurate medication rounds guaranteed!

MPS
DosEdge

Now is the time to replace your paper based medication chart with MPS DosEdge. You simply login and the system walks you through your medication round.

Imagine a system where

- Missing a dose or forgetting a signature is impossible
- You have consistent chart layout & electronic tablet identification
- Medication chart audits are no longer required
- Medication Incident Reports are completed instantly
- Special Instructions/Allergies are updated instantly
- Doctors can update Medication Charts electronically
- You no longer need to archive and all but eliminate filing

Well, that system is here!

MPS DosEdge gives you detailed reports including:

- Which residents were dosed and when
- Which medication was not given with detailed exception reporting
- How long medication rounds are taken
- PRN Usage Reports per Medication per Resident
- ACFI Reports available daily

MPS DosEdge also enables you to order from your pharmacy at the time of administration.
